INSCD6 Coverage of telemedicine services		- 1		
No provision.	R.C. 3902.30  Requires a health benefit plan to cover telemedicine services on the same basis and to the same extent that the plan covers in-person health services, and prohibits such plans from excluding coverage for a service solely because it is provided as a telemedicine service.	No provision.	No provision.	

Department of Insurance	Main Opera	ating Appropriations Bill		H. B. 49
Executive	As Passed by the House	As Passed by the Senate	As Enacted	
No provision.	Stipulates that these requirements are not to be construed as prohibiting a health benefit plan from assessing cost-sharing requirements to a covered individual for telemedicine services, provided that such cost sharing requirements for telemedicine services are not greater than those for comparable in-person services. Stipulates that these requirements are not to be construed as requiring a health plan issuer to reimburse a physician for any costs or fees associated with the provision of telemedicine services that would be in addition to or greater than the standard reimbursement for a comparable in-person service.	No provision.	No provision.	
No provision.	Applies these requirements to health benefit plans issued, offered, or renewed on or after January 1, 2018.	No provision.	No provision.	
	Fiscal effect: "Health benefit plan" is defined as in section 3922.01 of the Revised Code, and includes a nonfederal, government health plan. The requirement may increase costs for the state, counties, municipalities, townships, and school districts statewide to provide health benefits to their employees and their dependents. The magnitude of the fiscal impact on any of these entities is unknown at this time.
